Dear Parent/Carer

Mango Hill State School is an exciting place of learning for all students.

Families wishing to enrol for 2024 who live out of catchment, need to complete an Expression of Interest and submit this to the office. For students currently enrolled at another school, we ask that you attach their most recent report card. Upon receipt of your application, you will be added to the waiting list and contacted if we have vacancies.

Out of catchment EOIs will be accepted from 8am on 1 March 2023 for the 2024 school year. Names will be recorded in order of submission and added to the waiting list. Applications received in person at 8am will take precedence over emailed applications at 8am. Any applications received prior to 8am on 1 March will not be processed until later that day.

Mango Hill State School recognises as its prime obligation, the provision of access to an appropriate educational service for students whose principal place of residence is within the school's catchment area. Because of enrolment capacity and growth, Mango Hill State School may be unable to meet this obligation in the future unless action is taken now to manage enrolments.

I regret I am unlikely to have enough places for all the applications received, I wish you and your child all the very best.

Yours sincerely,

Tracy Egan
Principal
