Our Aims

It is our aim to:

Build partnerships with parents, community and schools thus, developing the optimum opportunity for children to develop, learn and make an easy and successful transition to school.

Provide a programme that is both challenging, and responsive to the diverse needs of the young child.

Continue to foster good and appropriate early childhood practices in all that we do.

Prep provides the foundation for your child’s success at school by developing:

• a positive approach to learning
• independence and confidence
• thinking and problem solving skills
• language skills
• early literacy and numeracy foundations
• physical abilities, including gross and fine motor skills

• Expect high levels of achievement appropriate for each child.
• Focus children on what we want them to know and do.
• Model the love of literacy and numeracy.
• Immerse our classrooms in print.

Our classrooms are warm, friendly supportive environments where we value:

• Respect
• Innovation
• Commitment
• Excellence
• Teamwork

As a school community we recognise our strengths are in our children, staff and families.

“Once children learn how to learn, nothing is going to narrow their mind. The essence of teaching is to make learning contagious, to have one idea spark another.”

What happens at Mango Hill State School Prep?

The First Day
We aim to make the first day at Prep a happy one for your child. We will be working hard to make sure that everything goes as smoothly as possible. We’ll have lots of smiles, fun and laughter. Our routine will be simple and consistent, allowing the children to feel confident and happy in their new classroom.

Here are just a few hints to make the first day go smoothly:

- The school day starts at 8:40am please be on time.
- Be positive. Talk about new things in a happy way.
- Familiarise children with staff names.
- Don’t “sneak” away. Always tell your child when you are leaving and that you will be back at the end of the day.
- Once you have said ‘good bye’ and are leaving, please go as quickly as possible. The few upset children invariably settle down after that initial departure from Mum or Dad.
- Please do not hesitate to discuss any concerns or worries that you may have regarding your child’s education with your child’s teacher.
- Please ensure your child’s brain break food is cut up and ready to eat.

Brain Food Break
Recent research into the brain and learning (Jensen, Joseph) has shown that learning can be enhanced when children consume the correct brain food and hydrate the brain with water.

Suitable foods for Brain Break include:
- Apple
- Banana
- Pear
- Strawberries
- Celery sticks
- Carrot sticks
- Dried fruits
The Prep Program

Our Prep classes have implemented the Australian Curriculum. We also refer to the Early Years Curriculum Guidelines provided for all State Schools by Education Queensland to ensure your child’s holistic development. These curriculum documents provide us with knowledge and guidance to differentiate and meet the individual needs of the children while supporting your child to reach their potential.

Each class engages in hands on, play based learning to develop the foundations of their future schooling success. Each day you will see the children involved in focused learning and teaching experiences, inside and outside activities, on their own, in small groups and with the whole class.

In addition to the focused early literacy and numeracy opportunities the children plan and negotiate with the teacher and aide, following areas of personal and group interest to learn more about their world and school life.

Our teachers will meet regularly with you throughout the year to discuss your child’s progress. At these meetings you will have opportunities to view your child’s work and discuss their progress. Meetings are usually held in Term 1 and Term 3. If you have any questions between times please make an appointment to speak with your child’s teacher at a time convenient to both of you. A written report will be provided at the end of Term 2 and Term 4.

Arrival

The classroom will always have the door open from 8.30am. Please feel free to come in with your child at this time before the formal session at 8:40am.

- Enter any child collection notices in the diary located at your Prep classroom. e.g. Grandparent collecting Amy today, Johnny is going to OSHC
- If you are staying for the session, or part of, please enter your name in the parent volunteer book located at the School office. This will not commence until later in Term 1.
- Encourage your child to unpack their schoolbag and complete their morning tasks.
- If you are arriving at school before 8:30am, please wait with your child in the Piazza or alternately at the front of the school. Parents and children are invited up to the classroom once the 8:30am bell rings.

Departure

- To help children stay focused on the teacher the door will be closed when you arrive. Please wait at the front of the school until the bell rings at 2:45pm
- For safety reasons other children will be asked to stay on the carpet until you arrive. Please come right up to the carpet area to collect your child
