Under this agreement for 2016
Mango Hill State School will receive

$232 808 *

This funding will be used to

- Lift the mean scale score in Year 3 and 5 NAPLAN Reading to equal or above the nation
- Increase the percentage of students in the NAPLAN upper two bands in numeracy from 36% to 40% in Year 3
- Increase the percentage of students in the NAPLAN upper two bands in numeracy from 21% to 25% in Year 5
- Improve reading and numeracy standards in the early years resulting in 100% students meeting the National Minimum Standard in Year 3 NAPLAN or have an Individual Learning Plan.

Our initiatives include

- Provide professional development and coaching to deepen teachers’ understandings of the Australian Curriculum: English and Mathematics to secure highly effective first teaching of concepts and skills in every classroom
- Develop a whole school approach for the identification of low and high performing students and specific actions to address difference through differentiation
- Provide focused and intensive teaching using the Multi-Lit Program for students requiring additional support to demonstrate achievement against the year-level achievement standards in reading

Our school will improve student outcomes by

- Employ an Support Teacher : Literacy and Numeracy (0.8 FTE) to work in early years classrooms to support early identification and coordinate the Multi-Lit Program $52 000
- Employ teacher aides to deliver the Multi-Lit Program for students not reaching year level achievement standards $62 808
- Employ additional teachers (1.4 FTE) to teach specialist subjects providing additional release time for class teachers to collaborate and form professional learning teams. These teams will work with the Master Teacher and Head of Curriculum fortnightly to develop a deeper understanding of effective pedagogical practices and adjustments required in reading and maths $90 000
- Employ a speech language pathologist (0.2 FTE) to screen the Prep cohort and teacher-referred students in Years 1 and 2, develop structured oral language programs for implementation by teacher aides, train teacher aides and parents and monitor student progress $18 000
- Employ a OT to screen the Prep cohort and teacher-referred students in Years 1 and 2, develop structured fine and gross motor programs for implementation by teacher aides, train teacher aides and parents and monitor student progress $10 000
